1) Which are the different activities in which you need to gather students who are interested in that activity?

a) Cultural Activities	65(62.5%)
b) Going for trip	80(76.9%)
c) Outdoor Playing	66(63.5%)
d) Searching representatives for various events.	37(35.6%)
e) Some kind of discussion	60(57.7%)
f) Study during exams.	48(46.2%)
g) Playing Computer Games	49(47.1%)
h) While going for movie.	62(59.6%)

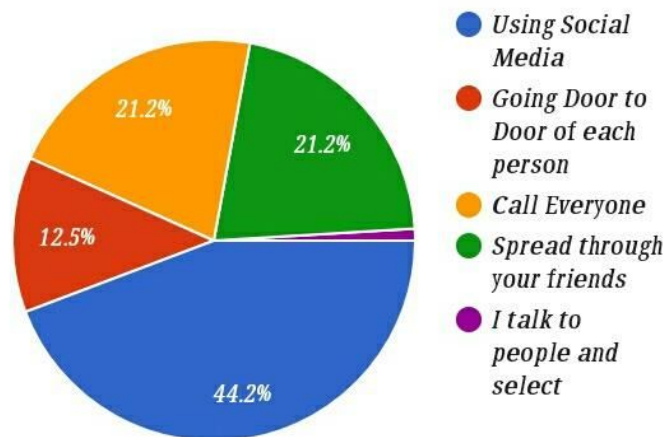

104 responses

2) How do you gather other colleagues (not from your near ones) for such activities?

a) Using Social Media	44.2%
b) Going Door to Door to each person	12.5%
c) Call Everyone	21.2%
d) Spread through your friends	21.2%
e) Others...	1%

104 responses

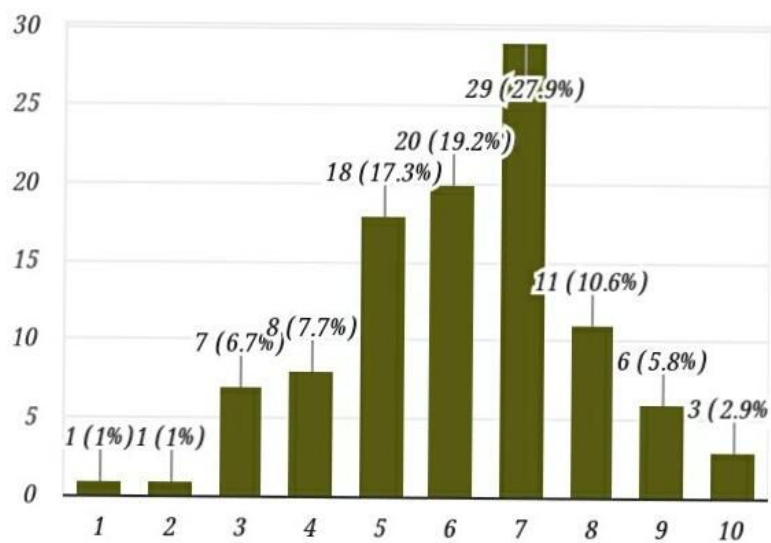

Conclusion: Maximum portion of our audience currently uses social media to gather other colleagues, but there also we have to individually message all the possibly interested colleagues.

3) Out of 10, how much difficulty you face in contacting and collecting interested people for such kind of activities?

1	-	1%
2	-	1%
3	-	6.7%
4	-	7.7%
5	-	17.3%
6	-	19.2%
7	-	27.9%
8	-	10.6%
9	-	5.8%
10	-	2.9%

104 responses

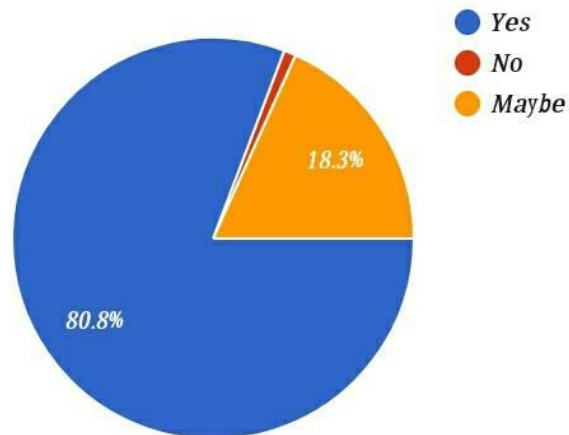

4) On Average how much time (in minutes) does it take to contact and gather all the people?

40 - 45 Minutes

5) Would you appreciate mobile application which can reduce your efforts to just few seconds?

- | | |
|----------|-------|
| a) Yes | 80.8% |
| b) No | 18.3% |
| c) Maybe | 1% |

104 responses

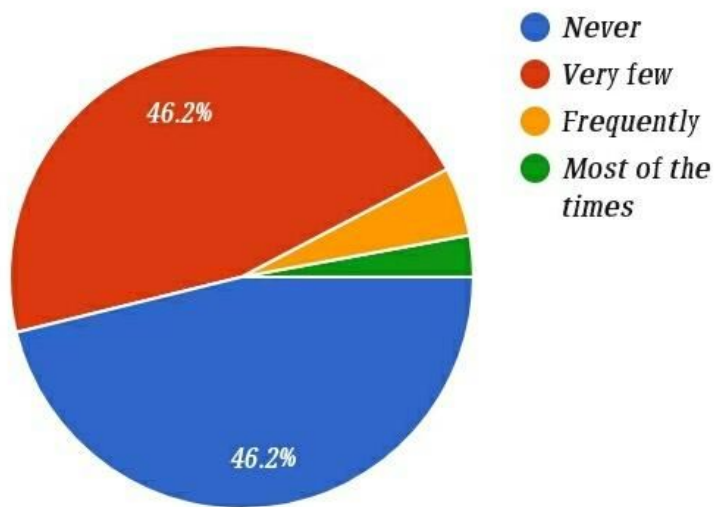

Conclusion: Approximately 80% of the audience is confident that our application is going to help them.

6) How often do you need to gather people from nearby colleges (PDPU, GNLU etc)?

- | | |
|----------------------|-------|
| a) Never | 46.2% |
| b) Very Few | 46.2% |
| c) Frequently | 4.8% |
| d) Most of the times | 2.9% |

104 responses

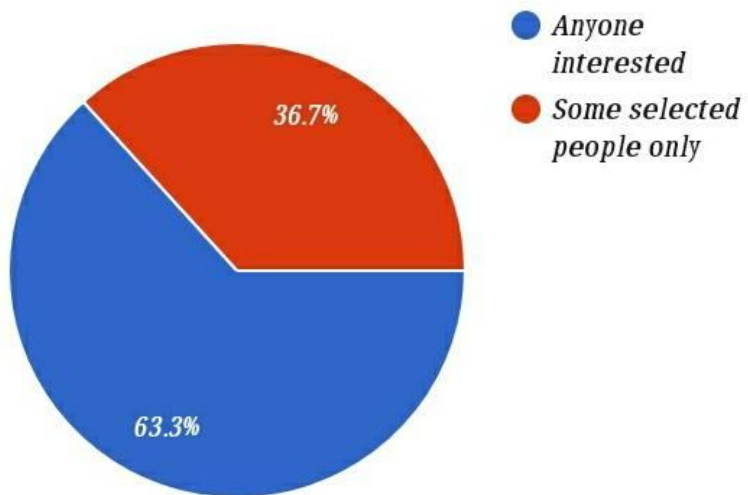

Conclusion : More than 50% of the audience needs people from nearby Colleges also, so that should be a primary functionality in our application.

7) If you need people from nearby colleges also ,then these people can be:

- | | |
|------------------------------|-------|
| a) Anyone interested | 63.3% |
| b) Some selected people only | 36.7% |

98 responses

Conclusion: Maximum part of the audience doesn't have a fixed set of people from other colleges, so it will be better to make each event open to all the users from other colleges.

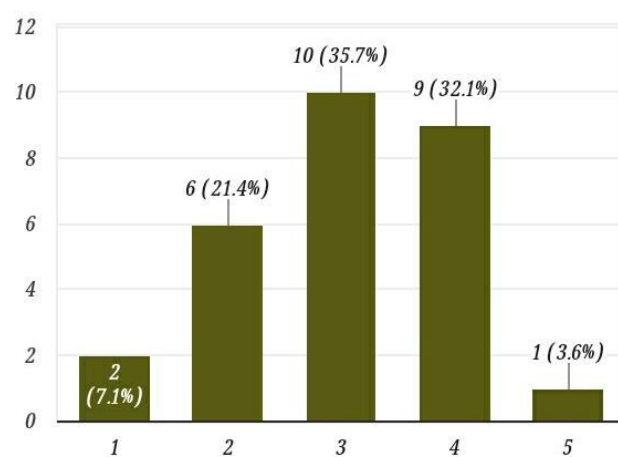

8) Are you holding any position of any club (Sec/J. Sec) or Committee (Member) of your college?

a) Yes 26.9%

b) No 73.1%

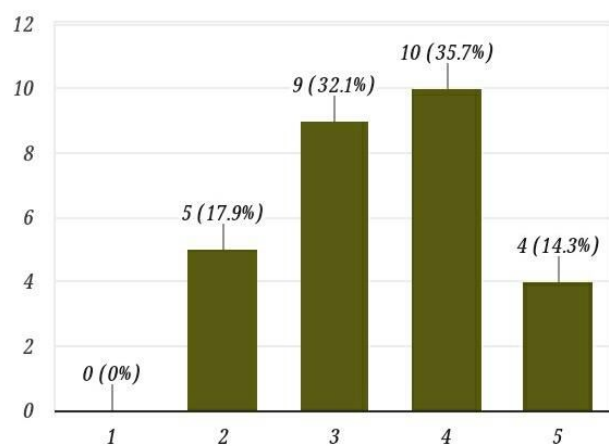

9) How difficult it is to notify students for some Unofficial Events?

28 responses

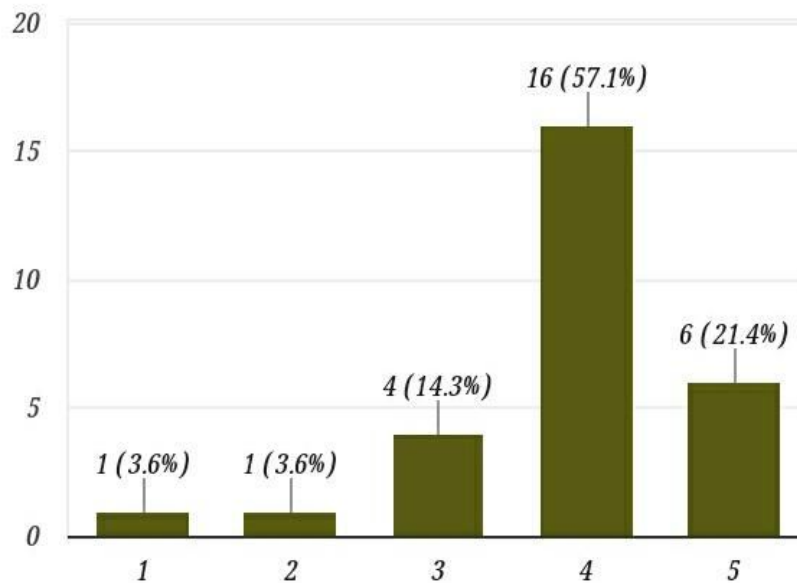

10) How difficult it is to find Volunteers for any events?

28 responses

11) On scale of 5, how much helpful this Application will be if we help you in notifying participants and volunteers?

28 responses

Conclusion: According to responses from various Club / Committee members, they face difficulty in searching volunteers for various events. So, our application can provide them the platform to upload their requirements and accordingly interested people can respond back.
